

# Rockin' Reader

September 1, 2009

From Ms. Dismuke...

Parents, I want to thank you so much for your help, understanding, and support during these first few weeks of school. I feel like we are finally getting everything on track! Please remember that signed papers will be coming home every Tuesday night. Many students are still getting used to this, so it might be helpful to be on the lookout for their MES folders. Please go through these folders when they come home and check for any papers that need to be signed, filled out, and returned. We are still having trouble getting them back in on time. I sent home a lime green conference sheet in my home-room's signed papers this week. Please fill that paper out and send it back in with your student regardless of whether you want a conference with me or not. If you cannot find your copy, I have extras. We are beginning a new chapter in Science this week that will cover cells. This chapter will be much more difficult than the last chapter, so please help your student keep on top of the information. It will be very important that your student study this material often as opposed to only before a test or quiz.

## Important Dates:

- September 7-Labor Day Holiday
- September 12-UGA's First Home Game GO DOGS! :)
- September 17-Early Release Day
