

EXCELLENCE MARINE ESSENCE • CABIN FACIAL TREATMENT

Anti-aging treatment with a reaffirming-lifting effect

TREATMENT INDICATED FOR

- Σ Skin with a mixed-oily tendency with loss of tone and elasticity to moisturise, increase skin's elasticity and firmness and enjoy a lifting action

DURATION AND PERIODICITY

- Time per session: 1 hour
- Intensive treatment: Minimum of 6 sessions, two per week
- Maintenance: 1 or 2 monthly sessions

REQUIRED PRODUCTS

VITAL LINE MAKE-UP REMOVER GEL FOR EYES AND LIPS

It offers in-depth cleansing without leaving a greasy residue and removing water-proof products. Indicated for sensitive eyes.

AQUA MOUSSE

It provides in-depth cleansing and toning

ENZYMATIC PEELING or NEW EVEN 50%

Peeling = It removes dead cells and impurities, stimulates cellular renewal and prepares skin facilitating the penetration of subsequent active components. New Even = It renovates and oxygenates skin

EAU VERT

It decongests and soothes skin

B-LIFTING

It improves the quality of collagen, increases moisturisation and elasticity, and has an immediate reaffirming and tautening effect

MARINE ESSENCE CREAM

It regenerates, moisturises and protects skin. It increases collagen synthesis and reduces flaccidity

B-ESSENTIAL OIL

It regenerates, nourishes and tones skin

FIRMING MASK

It increases tissue oxygenation, enables better active agent penetration, and has a tautening and modelling effect

STEP BY STEP

1 CLEANSING AND TONING

Apply the VITAL LINE MAKE-UP REMOVER GEL FOR EYES AND LIPS using cotton buds or pads and performing circular motions. Remove with water.

Apply one pulsation of AQUA MOUSSE on the palm of your hand and spread all over the face, neck and chest. Work on it until make-up traces or impurities are eliminated. Remove with water.

2 EXFOLIATION

Sensitive skin:

Mix two measures of ENZYMATIC PEELING with EAU VERT lotion until a fluid mix is produced that enables application using a brush. Spread it and leave to rest for 10 mins. Remove with water.

Apply the EAU VERT lotion to enhance product removal.

Normal skin:

Apply NEW EVEN 50/30 CONCENTRATE with AHAs.

Apply 2.5ml using a brush and perform fanning motions on the face, neck and chest. Do not apply on mucous membranes or wounds.

Application time will range between 4 and 8 minutes at the cosmetologist's discretion.

Remove with water.

Apply EAU VERT using wet cotton pads or spraying it directly on the skin.

3 CONCENTRATE

Next, apply three dropper measures of B-LIFTING and work on it with digital movements until product is fully absorbed.

4 FACIAL MASSAGE:

Perform a classic facial massage with MARINE ESSENCE CREAM. For dry skin, mix it with 6 drops of B-ESSENTIAL OIL.

5 MASK

Place cotton disks on the eyes' orbicular muscle. Cut the gauze on the areas over the nostrils and mouth. Apply the gauze on the face.

In a bowl, mix the entire contents of the FIRMING MASK sachet (35g) with 50ml of EAU VERT. Quickly apply with the spatula. Do not cover the eyes and lips. Leave to rest for 20 mins. and gently remove by pulling the section of the gauze without any product on it.

Apply EAU VERT lotion using cotton pads to enhance the mask removal.

5 FINAL APPLICATION

Apply the MARINE ESSENCE cream until product is absorbed.

For very dry skin, combine the cream with 6 drops of B-ESSENTIAL OIL.

MAINTENANCE AT HOME

Once the treatment is finished, we say goodbye to the customer while explaining the importance of products to be used at home. We can recommend daily and weekly care:

DAILY CARE

- Cleansing + toning: AQUA MOUSSE.
- Day: Q10 RETINOL CREAM or HIDROELASTIN CREAM (Vital Line).
- Night: MARINE ESSENCE CREAM.
- Specific care: Circulatory problem, EYE CONTOUR CREAM.
- Activation and renovation, Q10 RETINOL EYE CONTOUR.

WEEKLY CARE

Once or twice per week, exfoliate skin with the VITAL LINE EXFOLIATING GEL or RICE PEELING. Next, apply the MASK LINE FIRM face mask.
