STEP BY STEP

1 SKIN CLEANSING AND MAKE-UP REMOVAL

Remove make-up on eyes and lips if necessary with VITAL LINE MAKE-UP REMOVER GEL FOR EYES AND LIPS. Clean the face, neck and chest with AQUA MOUSSE from the EXCELLENCE line. Remove with sponges or towels wet in water. Time: 5 mins.

2 EXFOLIATION

Perform the exfoliation with the PEARL AND DIAMOND POWDER PEELING, an exfoliating product based on glycolic acid and caviar. Apply all over the face using a brush. Work on it with digital movements for 2 or 3 minutes. Leave to rest for 8 minutes. Remove with sponges or towels wet in water.

3 TONING

Apply the lotion EAU VERT with cotton pads soaked with the lotion or using a sprayer.

4 ANTI-WRINKLE INTENSIVE TREATMENT

Perform a gentle dry pinch to stimulate the wrinkles base, starting on the neck and moving up over the entire face. Put special attention on those areas where the treatment is most needed. Apply EFFECTIVITY INSTANT, a wrinkle decontracting and tautening product, on the areas being worked on. Perform small kneading movements.

5 RENOVATING MASK

Apply the RENEWAL MASK with papaya and pineapple on the face, neck and chest. This product is an important cellular renovator that boosts the results of the overall treatment. Leave to rest for 10 mins. and remove with sponges or towels wet in water.

6 MODELLING MASSAGE

Perform a modelling massage focusing on facial muscles in order to tone and reaffirm skin using the reaffirming and regenerating TENSO GOLD CREAM. If desired, in order to boost the effect of this massage and on skin with a high loss of firmness, 6 drops of the reaffirming BIO-LIFTING CONCENTRATE can be added to the cream.

7 GOLDEN MASK

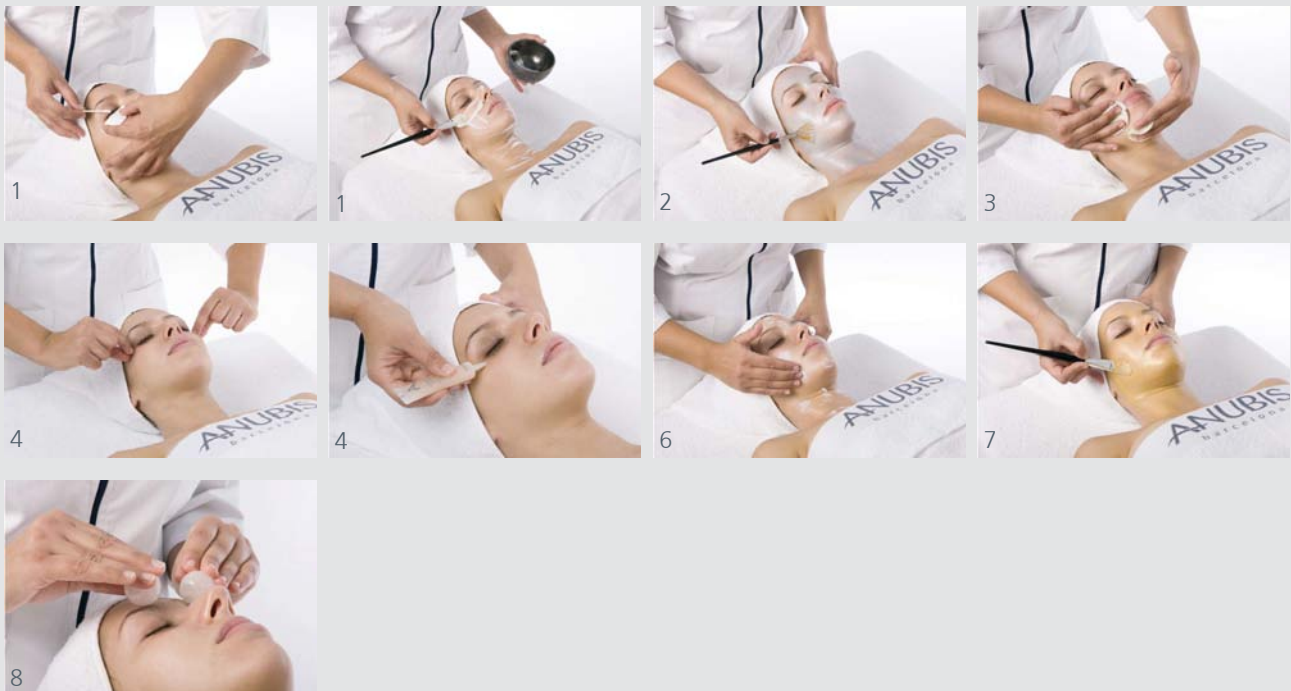

a.- Apply the golden mask, with a gel texture and gold powder, pearl extract and caviar, easy to apply and remove. It has anti-aging, reaffirming and moisturising properties. Apply using a brush and leave to rest for 15 minutes. Remove with sponges or towels wet in water.

b.- Apply Eau Vert lotion to enhance the mask removal.

c.- Apply CAVIAR AND PEARLS EYE CONTOUR: It regenerates, moisturises, drains and protects skin.

8 TREATMENT CONCLUSION: MASSAGE

To conclude, perform a reaffirming and relaxing massage employing flat strokes and vacuum movements using the CAVIAR AND PEARLS REJUVENATING CREAM, with revitalising and regenerating properties. The objective is to achieve total relaxation of the customer's facial features, expression signs, skin and mind. If desired, it is advisable to perform the massage using quartz crystals.

MAINTENANCE: EFFECTIVITY AT HOME

Once the treatment is finished, we say goodbye to the customer while explaining the importance of Anubis products to be used at home. We can recommend: Caviar and Pearls Eye Contour, Effectivity Instant Decontractor, Day: Caviar and Pearls Rejuvenating Cream or Tenso-gold Cream, Night: Caviar Serum or Gold Cream.
