### **Healing and Wholeness**

Wednesdays 7:00 – 8:00 PM Instructor:- *Denise Imlah-Savitt*

This course is a study of Wholeness. Jesus asked a man crippled for thirty eight years, “wilt thou be made whole?” (John 5:6). He is still asking us that question today. This course deals with the need for inner healing and seeks to move us from being: wounded to wholeness, offended to being an overcommer, orphaned to adoption, and servant to sonship. It will expose the cycles of bondage and release us to the Father’s love. God is sanctifying us, come and be changed.

### **Growing in the Prophetic**

Wednesdays 8:00 – 9:00PM Instructor: - *Becky Prasad*

What is the prophetic ministry? How is it related with the gift of prophecy and the office of a prophet? What does the Bible say about these graces? What do I do with a prophetic word I have received? How do I give a prophetic word? This course will help us recognize the operation of the prophetic ministry, the checks and balances and how they operate in the local church. We will look at both OT and NT prophetic ministries.
